PLEASE NOTE: None of the classrooms, including 201, contain a video camera or audio setup suitable for Zoom (ie. they are not Zoom-capable by default). If you need Zoom equipment set up for a meeting or event, please fill out the equipment request form. We will respond to your request with a confirmation email detailing time/date/equipment needs. If you do not fill out the request, we will assume you will bring/use your own equipment for any Zoom-enabled meeting.
