

THE UNIVERSITY OF
TENNESSEE
KNOXVILLE

COLLEGE OF NURSING

Tenure Track or Tenured PROFESSOR, ASSOCIATE PROFESSOR and/or ASSISTANT PROFESSOR POSITIONS

As the state's flagship school, the University of Tennessee, Knoxville is home to over 100 research institutes and centers and numerous specialized research laboratories and consortia. Student enrollment totals more than 27,000 and research funding surpasses \$188 million. Located near the Great Smoky Mountains and surrounded by numerous lakes, Knoxville offers abundant recreational attractions, cultural attractions such as opera and symphony, low cost of living, and high quality residential neighborhoods.

College of Nursing highlights:

- Reduced teaching assignment for the first 2 years in a tenure track position
- Nurse-managed School-based Health Center using telehealth communications
- State of the Art Simulation Center with Smart Home for testing prototypes
- Collaboration with the Pat Summitt Alzheimer's Clinic and University of Tennessee Medical Center as research partners
- Member of the National Hartford Centers for Gerontological Nursing Excellence
- Mentorship and grant writing support at both College (Office of Research Services) and University (Office of Research & Engagement) levels
- Inter-professional Education and Research Opportunities
- Generous start-up package including relocation allowance

Qualifications for this position include:

- Earned doctorate
- Professional experience commensurate with rank
- Evidence of research or creative activities

Desirable Qualifications:

- Teaching experience at the collegiate level
- Experience in online education
- Eligibility for RN license in Tennessee
- Defined area of research/scholarly activity in one or more impact areas: 1) creating innovative solutions, 2) improving child and family health, 3) promoting global health, 4) advancing care of aging populations, 5) improving psychiatric and mental health.
